IN THE CLAIM

Please cancel Claims 4 to 5 without prejudice or disclaimer of the subject matter thereof and amend claim 6 as the following, wherein the "bubble" is amended as "bulb" which is an error from typewriting. From Fig. 4 it shows that the heating device is a bulb.

WHAT IS CLAIMED IS:

Claim 1. (Original) A heat convention glass bottle with decorations and wax comprising:

a bottle body made of transparent glass and having a ball-like shape; the bottle body being a hollow body; sterile liquid, wax and first decorations being received in the bottle body, the decorations being mixed into the wax; a bottom of the bottle body being combined with the bottle seat;

a bottle seat installed at the bottom of the bottle body for sealing the bottom of the bottle body; a sealing ring being installed between the bottom of the bottle body and the bottle seat; liquid soft glue being filled above the sealing ring;

a heat tolerable film adhered to a top of the bottle seat; the heat tolerable film having a through-hole; and a base around a bottom of the heating device.

Claim 2. (Original) The heat convention glass bottle with decorations and wax as claimed in claim 1, wherein a top of the bottle body has a sealing cover and a top cover and second
